

Cattewater Cruising Club Laying Up Supper November 22 2014

Despite changes of Venue, Menu, numbers of members being able to attend, the Cattewater Cruising Club celebrated a most enjoyable evening.

The original venue was closed only a week prior to the event, requiring a reshuffle of venue and Membership informed. This was achieved with a considerable amount of work performed by Lynne and Pip during the last few days.

The Bridge Restaurant at Yachthaven catered to all our needs. A lovely evening was enjoyed by all with a vote of thanks called for the Bridge and all the staff.

25 members attended the event.

Check the website for details of the next event for the social and trophy presentation at Kitley in January.

Further details later from Lynne the Social Secretary.
