

## CATTEWATER CRUISING CLUB VALENTINES DAY 2016 WALK

The walk took place on Sunday 14<sup>th</sup> February 2016. Commencing at 1000 hrs at the Devil's Point car park.

The plan was that after the stormy season after rains and strong winds this would be a mud free! easy walk through the Mount Edgcumbe park and surrounds.

Firstly it was a swift trot to the Cremyll Ferry for the 10.15 sailing.

Two ports visited but not counting towards the annual trophies!!

On the Cornish side through the main entrance of Mount Edgcumbe Country Park and southwards to Picklecombe Fort.

A break on high ground for coffee refreshment.

Not a sail spotted out in the sound, maybe it was the low chill factor on the water?.

A welcome break at the Edgcumbe Arms and an extremely satisfying Sunday Roast was on the menu was enjoyed by all 9 walkers.

The return journey took us along the South West Coast Path through Royal William Yard (The Royal William Yard was intended to be the Royal George Victualling Yard, but the name was changed on account that George 1V died 5 years before the yard was completed).

Very many thanks to Alan Eves for organising such a great day, including the weather.
